

MICHIGAN ENTERPRISES REPORT NUMBER ONE HUNDRED THIRTEEN TO LINCOLN DDA

March 11, 2018

The following is a report by Bob Jones of Michigan Enterprises for the Lincoln DDA concerning February activity on major projects: the proposed Senior (Assisted) Living facility, Dollar General, Viking Energy, and Cooper Standard. We want to keep specifics confidential to board members and a few select others until project owners wish to release any information.

1. **SENIOR ASSISTED LIVING**

Still searching for a date for Missy (company owner) to come to Lincoln for a meeting.

2. **DOLLAR GENERAL**

Charles Overton, the Dollar General site search person, is intending to come to Michigan in March or April, and he intends to come to Lincoln. We will have to make a site recommendation location. More at DDA meeting

3. **VIKING ENERGY**

A comprehensive newspaper article will soon be in the Cadillac News newspaper reporting on the original development of the Viking biomass power plants in McBain and Lincoln and how their values still exist today for northern Michigan people and communities.

4. **COOPER STANDARD**

Had another date scheduled to meet with the company facility director Kevin Brady. Then he had to go to Poland. His advice to me: "Don't get disappointed on my schedule changes at the last minute. Our company has over 130 locations throughout the world and I can get called to any one of them at a moment's notice. We will just keep in touch." More at our DDA meeting.
