President's Report

9/13 DDA Meeting – Denny is working with the County Veterans Council to find an alternative lot in the Village for their new building.

9/13 Mrs. Diamond – she was having a plumbing problem and was trying to eliminate possible causes.

9/19 Planning Committee Meeting – Canceled due to COVID.

NEMCOG – Eric Schmanski.- spoke with Eric regarding the DDA Plan. I then called Karen Godi and requested that when the auditor does the DDA Audit, that they also review the charts with the TIF data. She said that the Auditor had just picked it up and she would give them a call and have them review the numbers. Once that is complete, the plan should be ready for adoption.

Mike Maturen of ACCOA – seen Mike into Kris Mart and asked him to get the plans for the apartment building and community center to the Planning Commission as soon as it is possible; so the Commission will have time to review make recommendations if necessary, and not hold the process up when they are ready to build.

Bill Putsky - I spoke with Bill this past week. He indicated that the landowner is responsible for repairs from the Septic Tank to the Village line.

Sewer Note: The council needs a member to work with Gary and enter the flow data into the EGLE Website.

Road Report

9/30 Act 51 Report – Spoke with Bob at Stephenson. He completed the report and sent it to MDOT. I spoke with Laura Lumis at MDOT. We are in compliance, just need Marsha & I to sign the paperwork to verify the report, scan it and send it back to Laura and we are good to go.

I spoke with Jessie Campbell at the Road Commission and the Village will have Barlow Rd, Traverse Rd. from Second St. to Barlow Rd, and Lake Streets re-marked along with the Road Commission and they will send us a bill for our share.

UPCOMING OCTOBER EVENTS FOR THE FAMILY

October 8th at the ARA site is the “Fall Classic Bump & Run” at 3PM. Prior to the race the Drivers will be holding a “Trick or Trunk” event for the kids. The gate opens at 1 PM. There will be a face painting, a Haunted Barn, and food concessions. Come join the fun. Sponsored by the Alcona County Fair Board. Proceeds will be going towards a set of new bleachers for the ARA.

October 9th at the ARA site will be the last Community Sale/Animal Swap for this year. Noon - 4PM. Vendor spaces are \$5 each. Everyone is welcome. Sponsored by the Alcona County Fair Board.

Also, don't forget the Chili Cook-off and Trick or Trunk here in the Village. 11AM – 1PM on Saturday October 29th. Prizes for the best decorated vehicle, best dog costume, and the best Chili. For further information on this event only, contact Theresa Hart @ 989-335-0436.

Respectfully submitted,

Sheila
